

Application for SAMCE EXCHANGE Grant 2023

SAMCE wants to unite and connect scientists with sparking ideas and build a strong scientific community in the domain of advanced manufacturing in Switzerland. The **SAMCE EXCHANGE Grant** supports short visits (at least five days) of researchers to another Swiss research group with 500 CHF. More information about the purpose of the grant and the application requirements are listed [here](#). To apply, please send the completed form to Lena.Schinkel@empa.ch by **2 January 2023**.
